

“ I have found Dramabuds to be excellent... The content of the sessions are varied using a mix of strategies including games, music, discussions in role and multi-sensory techniques, to engage the children. The style is lively keeping the children's interest throughout. All the children participate with enthusiasm whilst concentrating and following instructions. The children's ideas are used in the drama created and all contributions are valued and encouraged. ”

“ I would just like to say how delighted we are with the quality of your classes - members of staff who have observed them... have commented that they are inspirational with all the children fully engaged. In addition, your administration has been extremely efficient. ”

Programme for Schools, Nurseries and Early Years Settings

Regular weekly classes • Themed workshops
After school clubs • Drama parties

Plant a seed. Watch it grow.
Discover how your child can flourish with Dramabuds.

At Dramabuds we specialise in providing imaginative drama classes and workshops exclusively for children aged 2-6 years old.

We offer schools, nurseries and early years settings regular themed weekly classes, one-off themed workshops, after school clubs and end of term drama parties. We support all six areas of Early Years Foundation Stage framework (EYFS) and areas of the Key Stage 1 curriculum. We...

1. Nurture imagination and creativity through drama and imaginary play.
2. Increase confidence and boost self-esteem with fun drama games and exercises.
3. Enrich a child's vocabulary and listening skills through interactive storytelling.
4. Promote physical development through dance and movement.
5. Explore our world, people, animals and places through drama.
6. Encourage all the children to work together to solve problems set within our stories.

Regular weekly classes

At each class we go on an exciting interactive story adventure written especially by Dramabuds.

Using drama, movement, imaginative play and song we captivate the children's imaginations. Together we create new worlds, become fun characters and use the children's ideas to solve challenges set within the story.

After School Clubs

Dramabuds' after school clubs are structured to stimulate young imaginative minds whilst developing concentration and communication skills, encouraging the children's confidence to bloom.

Every week the classes start with lively movement to music. We then do our Dramabuds warm up, dance routines and games, followed by our listen, speak, create and imagine sections of the class. Each term the children work on a new theme and parents are invited to watch the performance at the end of each term.

Themed Workshops and Parties

You can book Dramabuds to deliver a one-off workshop. This can be used to introduce a theme to your class, to complement a topic you are already exploring, or to round off a project and become part of an event. Our current themes include:

- | | |
|--------------------------|----------------------------|
| Jungle Adventure | Pirates |
| Down at the Farm | Superheroes |
| Mini Bugs | Fairytale Land |
| Going on a Dinosaur Hunt | Peter Pan |
| Around the World | Alice In Wonderland |
| Magical Toy Shop | The Night Before Christmas |

We are happy to tailor-make workshops to suit a particular theme to complement World Book Day, literacy events or Christmas and other festivals.
